### **Memorial Day**

Memorial Day is an American holiday, observed on the last Monday of May, honoring the men and women who died while serving in the U.S. military.

Memorial Day 2019 occurs on Monday, May 27.

Originally known as Decoration Day, it originated in the years following the Civil War and became an official federal holiday in 1971. Many Americans observe Memorial Day by visiting cemeteries or memorials, holding family gatherings and participating in parades. Unofficially, it marks the beginning of the summer season.

### **Early Observances of Memorial Day**

The Civil War, which ended in the spring of 1865, claimed more lives than any conflict in U.S. history and required the establishment of the country's first national cemeteries.

By the late 1860s, Americans in various towns and cities had begun holding springtime tributes to these countless fallen soldiers, decorating their graves with flowers and reciting prayers.

In observance of Memorial Day, we will have a POW/MIA table set in the Riverside Dining Room in honor of the men and women who gave the ultimate sacrifice. Some of which never made it home. We will also lower our American flag at half mast. We hope that you will all take a moment of silence at 3:00PM in remembrance. "The National Moment of Remembrance, established by Congress, asks Americans, wherever they are at 3 p.m. local time on Memorial Day, to pause in an act of national unity for a duration of one minute."
